CASE NO. C18-983 MJP-BAT

**ORDER DENYING MOTION TO
RECONSIDER APPOINTMENT OF
COUNSEL**

14 The Court DENIES plaintiff's "Motion Seeking An Reconsideration Of Appointment Of
15 Counsel." Dkt. 28. Motions to reconsider provide an extraordinary remedy, and should not be
16 granted, absent highly unusual circumstances. Here, plaintiff argues his lack of legal training,
17 difficulty with access to the courts, and complexity of his case put him at a disadvantage. But
18 these arguments apply to most pro se prisoner law suits and are thus not extraordinary grounds
19 for reconsideration. The Clerk shall provide a copy of this Order to plaintiff.

20 DATED this 3rd day of January, 2019.
